

# **Renew registration of veterinary products manufacturing company**

## **About the Service**

Through this service, the registration of foreign manufacturers of veterinary products is approved to renewal through a veterinary warehouse licensed by the Ministry in order to allow the registration, import and circulation of its products in the country.

## **Service Process**

## **Required Documents**

- 1. A power of attorney letter from the factory stating that the agency has been granted to the authorized agent in the United Arab Emirates
- 2. A valid certificate of registration of the company in the country of origin, including the date of establishment, stating clearly that the veterinary preparations produced by the company are authorized to be sold freely in the country of origin.
- 3. A valid certificate issued by the concerned authorities in the country of the manufacturer proving its commitment to the principles of good practice in pharmaceutical manufacturing (GMP), including evidence that the competent authorities have conducted periodic inspections on it.

## **Service completion duration**

- 5 Days
