

Request for a veterinary health certificate for exporting or re-exporting animal and fish products or byproducts and manufactured feed

About the Service

Through this service, a health certificate is obtained for exporting or re-exporting animal and fish products or byproducts and manufactured feed out of the country, valid for 30 days from the date of issuance

Service Process

Required Documents

- 1. Certificate of origin for shipment
- 2. A copy of a laboratory analysis certificate from a government or accredited laboratory (if necessary)
- 3. Purchase invoice and packing list
- In addition to the above documents, it is necessary to submit documents for some of the shipment according to the following:
 - • For the consignment of aquatic products: the permit for export or re-export
 - • For consignment of meat products: A copy of the health certificate issued by the government slaughterhouse where slaughter was carried out inside the country
 - • For product consignment: Certificate of export validity of the product issued by the relevant local authority
 - • Any documents required by the importing country
 - • In case of export of Fresh Emirati Fish (wild catch only) to the Kingdom of Saudi Arabia only:

Service completion duration

- 1 Days
