

# **Issue an import permit for live fish and aquatic organisms**

## **About the Service**

Through this service, a permit is issued to import live fish, aquatic organisms, ornamental fish, and broodstock or larvae of fish and aquatic organisms. At the entry port, the consignment will be inspected and will be released after confirming the data listed in the import permit of the consignment and ensuring that it meets the necessary technical requirements (valid for three months from issuance date)

## **Service Process**

### **Required Documents**

- To obtain the import permit:
  1. There are no consignment documents.
- To request the release of the consignment:
  1. Certificate of origin
  2. Health certificate
  3. Customs declaration or bill of lading
  4. Purchase invoice or packing list

### **Service completion duration**

- 1 Days
